Elizabeth Ann Moen

ELIZABETH ANN MOEN, age 20, passed away suddenly on February 15, 2008 from a brain aneurysm which was unknown until her unexpected death. Even in death, Liz's caring & sharing attitude was present in spirit as she was able to give the gift of life through organ donation, and because of her generosity, other lives have been changed.

Born in Dallas, Texas on February 1, 1988, Elizabeth was the daughter of John Moen and Becky Joecks. She attended and graduated from Mankato East High School, and had been working in the Medical Records Department at the Mankato Clinic. She enjoyed reading, her pets, music, art, fishing, and spending time with friends and family.

We honor the memory of Liz, and her spirit in caring, by holding this benefit, in hopes that we too may change the lives of others.

Thank you,
The Circle of Friends
