

Solicitation to Riverland Community College Students

Organization businesses and employers may have access to the College to deliver information to students. **Requests must go through the Communications Director.** Such information can include but is not limited to:

- Sales promotions and coupons,
- Political campaign materials,
- Information on community events,
- Military recruiting materials,
- Part-time job opportunities for currently enrolled students, and
- Job opportunities for students preparing to graduate.

The parties mentioned above may distribute information to students via bulletin boards, a table in the cafeteria, or other designated areas through inserts in the student mailboxes. Bulletin board postings must be date stamped and materials must be posted by the outside organization.

Employers wishing to setup tables to promote part-time or fulltime job opportunities for currently enrolled or graduating students will contact the Director of Placement and Graduate Services.
