

**Application Fall 2012**

**Before applying to the Radiography Program, students must complete the following:**

- o Apply, and become accepted to Riverland Community College. (Contact Admissions 1-800-247-5039/507-433-0600.)
- o **Fall 2012 Applicants must have completed CHEM 1101 Introductory Chemistry, or currently be registered in this course by the spring 2012 semester.** Students may be enrolled in the following pre-requisites when applying: **BUSO1668 Medical Terminology, BIOL2021 Human Anatomy & Physiology I** (must be within the past 5 years). Prerequisite courses need to be completed with a letter grade of C or higher prior to Fall Semester 2012. Complete the table below with the requested information.
- o Due to limited enrollment, **applications will only be accepted January 1-March 15, 2012** for consideration for the 2012 Fall Semester. Students will be notified by letter of their status following the review in March. Applications will not be accepted if postmarked after March 16, 2012 or if the application is incomplete.

Name \_\_\_\_\_ SSN \_\_\_\_\_

Address \_\_\_\_\_

City \_\_\_\_\_ State \_\_\_\_\_ Zip \_\_\_\_\_

Telephone: including area code: \_\_\_\_\_

E-mail address: (please print clearly) \_\_\_\_\_

List all previously attended schools and colleges, including Riverland. **If other than Riverland**, you must send an **official transcript** for review of transfer credits, unless already submitted. Check if your transcripts are available as e-transcripts.

Name of School/College -include City, State	Year(s) attended	Date of official transcript sent	Major	Degree Awarded

Name of School/College	Prerequisite Courses	Grade (C or better)	Date of completion or anticipated
	Intro to Chemistry		
	Medical Terminology		
	Human Anatomy & Physiology I		

**Please note:** In order to receive entrance-scoring points, **applicants MUST provide proof of course completion date and grades with application** otherwise applicants will not receive points in that particular category. The following list on the next page will help assist in making sure applicants have included all necessary information with application.

Student Signature: \_\_\_\_\_ Today's Date: \_\_\_\_\_

The following information must be completed, and accompany the application. The following checklist will assist in making sure applicants have included all necessary information with application.

- I have applied and have been accepted to Riverland Community College. If not, or unsure, please contact Admissions 1-800-247-5039/507-433-0600. **Students must be accepted to Riverland before applying to the Radiography program.**
- I have included the Radiography Program Application for Fall 2012.
- I have included proof of successful completion of the prerequisite courses or evidence of enrollment at other colleges.
- I have successfully completed CHEM 1101 Introductory Chemistry or I am currently registered for this course.
- I have had **official** college transcripts sent to Riverland's Registrar's office. (It is not necessary to include RCC transcripts.)
- I have had **official** college transcripts sent to Riverland's Registrar's office as e-transcripts. **If you have questions concerning your transcripts, please contact Mary Kay Wilson at 507-433-0660 or mkwilson@riverland.edu.**
- I have included an e-mail address on the application.
- Optional:** I have submitted ACT scores with application. If not, or have questions, please contact your High School for information pertaining to your ACT scores. **In order to receive ACT points, a copy of your testing scores MUST accompany the radiography application.**

**Please mail the Radiography application, checklist and requested materials to:**

Riverland Community College-Austin Campus  
Attn: Marlene Wipplinger, Radiography Program Department  
1900 Eighth Avenue NW  
Austin, MN 55912

**NOTE: Radiography Program CPR Requirement**

Radiography students are required to obtain and remain current with CPR certification for Health Professionals throughout their academic career. **Proof of certification needs to remain valid through the entire academic year of '8/12– 8/14. Students must provide a copy of certification before the second semester of the program.**

**American Heart Health Professional certification is the required standard for allied health and health science programs at Riverland Community College**, primarily because this certification typically spans the same two-year period that flows in parallel with the College's related two-year degree programs. Although American Heart certification is the required standard at Riverland, the College recognizes the equivalency of the **American Red Cross Professional Rescuer certification.**

**NOTE: Radiography Program Background and Drug Screening Requirements**

Minnesota Statutes, chapter 245C, requires the Minnesota Department of Human Services (DHS) to conduct background studies on individuals providing direct contact services to people receiving services from facilities and agencies licensed by DHS.

The Riverland Community College Radiography Program reserves the right to deny admission to anyone who has been convicted of a crime (misdemeanor or felony) or is pending a criminal charge (excluding minor traffic violations.) It is also understood that conviction of a felony may be grounds for denial of eligibility to complete the ARRT licensure examination.

The Riverland Community College Radiography Program reserves the right to conduct Drug Screening tests prior to admission to the program.

Riverland Community College is asking you to provide private information in order to process your radiography application form. This information will be used for preparation during the radiography application review. You are not legally required to provide this information; however, the college may not be able to effectively process your request if you do not provide sufficient information. Access to this information will be limited to school officials. Under certain circumstances, federal and state laws authorize release of private information without your consent to state and federal agencies or as otherwise permitted by other state and federal laws.

*An Equal Opportunity Employer/Educator*
