

Radiologic Technology Week

Office of the College President, Dr. Terrence Leas

Whereas, the health of our citizens is a major concern and responsibility of health-care professionals serving the citizens of Southern Minnesota; and

Whereas, qualified practitioners who specialize in the use of medical radiation and imaging technology to aid in the diagnosis and treatment of disease share a commitment to bring the people of this community a safer, more compassionate environment now and in the future; and

Whereas, professionals in the radiologic sciences are dedicated to the highest standards of professionalism and continually maintain those standards through education, life-long learning, credentialing and personal commitment; and

Whereas, Nov. 7-13, 2010 has been designated National Radiologic Technology Week[®] to focus on the safe medical radiation environment provided through the skilled and conscientious efforts of radiologic technologists;

Now, therefore, I, Terrence Leas, President of Riverland Community College, do hereby proclaim Nov. 7 – 13, 2010, "Radiologic Technology Week" at Riverland Community College, and urge all of our students and employees to recognize this event and participate in its observance.

Done this 7th day of November, 2010.

A handwritten signature in blue ink that reads "Terrence Leas". The signature is written in a cursive style with a large, stylized initial "L".

Witness my hand:
