

Riverland Community College

Interpreting your Assessment Results

(These scores are for the Accuplacer assessment only)

This interpretation guide is for you to use in collaboration with your counselor or faculty advisor to plan your academic schedule. Our goal is for you to have a successful experience at Riverland Community College. This starts with the correct course placement, based on the assessment results of your current academic skills in **reading** and **math**.

NOTE:

The reading score is important in determining your readiness for reading-intensive as well as writing courses. Classes that require a lot of reading and college level writing may not be recommended if your score is below 78 on the Reading Comprehension.

Read	Placement
0 - 51	Contact college counselor
52 - 62	ENGL 0950 – College Prep English I
63 - 77	ENGL 0960– College Prep English II
78 - 120	ENGL 1101 – Freshman English

The math assessment consists of branching tests. The number of tests completed was determined by your score on the first math test.

Arithmetic

Arith.	Placement
0-34	Contact college counselor
35 - 69	MATH 0550 – Basic Math
56 - 120	MATH 1020 – Tech Math I
70 -93	With counselor approval – MATH 0560 – Intro to Algebra or MATH 1020 – Tech Math I
94 -120	MATH 0560 – Intro to Algebra or MATH 1020 – Tech Math I

Elementary Algebra

El Alg.	Placement
0-50	Use arithmetic placement
51 -70	MATH 0560 – Intro to Algebra or MATH 1020 – Tech Math I
71 – 120	MATH 0570 – Intermediate Algebra or MATH 1020 – Tech Math I

College Level Algebra

El Alg.	CLM	Placement
75 -120	0- 49	Math 0570 – Intermediate Algebra or MATH 1020 – Tech Math I
