

Riverland Community College
POSTSECONDARY ENROLLMENT OPTIONS PROGRAM
Home-Based Education Student Planning Guide

The Home-Based Education Student Planning Guide is to be completed by the student and parent or guardian. **Full completion** of this form is essential since the information requested provides a basis for making knowledgeable decisions regarding participation in the Post Secondary Enrollment Options Program (PSEO) and enrolling in appropriate courses. If a student's course requirements for high school graduation change, it is the student's responsibility to notify the College Counselor. This form must be completed **each semester** and submitted to the College Counselor and/or PSEO Coordinator of Riverland Community College, **along with your current high school transcript.**
