

# RIVERLAND DAY PLANNER

## Fall

### 2010-2011

*Chemistry test on Tuesday. Meet study group at library after class.*

*English paper first draft due next Monday. Start research!!!*

*Call home for more money*

## How to use this planner

1. Use one planner paper for each week of the semester. Prior to the semester starting fill the non negotiable for the entire semester.
2. **All non negotiable entries are entered in red pen.** Examples are class schedules, work schedule, volunteer commitments, appointments, holidays, tests and due dates for assignments.
3. **Weekly use a blue pen to fill out a planner page** that also includes eating, sleeping and exercising.
4. Weekly, use pencil to schedule in the following items: study times, homework, family and personal commitments, laundry, grocery shopping, household chores, etc.
5. Use the assignment boxes to list the homework, review and study prep that needs to be done that week. When an assignment is complete check the box. If the assignment is not complete move it over to the next day.
6. Use the "Don't forget to bring" box to list the items that you will need with you at school in order to attend class and complete homework assignments.
7. Use the "Remember to ask in class" box to jot down the questions that you need answered about your reading assignments, tests, quizzes or group projects.
8. Don't forget to schedule free time, exercise, meals, household chores and study time on the weekend.
