

How To Register for the TEAS® Assessment at PSI

Registering for the TEAS® Assessment at PSI is now available. Please note that registering for an assessment via PSI requires directly contacting PSI to schedule a specific time and date.

To Register Via ATI's Online Store1

To Register Via ATI's Online Store:

To access ATI's Online Store, please go to www.atitesting.com. Click on the "Online Store" link in the upper right hand corner of the page or you can login with your Username and Password/Create a new account if needed and click on the "Online Store" link from the top navigation options in the upper right hand corner.

The screenshot shows the ATI website interface. At the top, there is a search bar and navigation links: "Create an Account | Online Store | Contact Us". The main header features the ATI logo and a woman's face with the text "I've always been a nurse at heart. YOU MAY BEGIN." Below this is a navigation menu with "About ATI", "ATI Product Solutions", "ATI Resources", and "Secure Sign On". The "ATI Resources" link is highlighted with a red arrow. The "Secure Sign On" section contains a login form with "Username" and "Password" fields, a "GO" button, and links for "Forgot or need help with your ID?" and "New To ATI? Create an account." The "Create an account" link is also highlighted with a red arrow. Below the navigation is a two-column layout. The left column is titled "WE HELP TURN ORDINARY PEOPLE INTO NURSES." and contains text about ATI's services. The right column is titled "AND HERE'S HOW." and describes the stages of becoming a nurse. At the bottom right, there is an orange box with the heading "Important!" and text about Silverlight software requirements.

WE HELP TURN ORDINARY PEOPLE INTO NURSES.

It takes a special person to be a nurse. Some say it's a calling, others, an epiphany. Whatever the reason, it's one of the most giving career paths one can take. However, it is not an easy path, not for the faint of heart, but for the big-hearted - and big-brained which is where ATI can help. We have the comprehensive and adaptive learning systems to assist in preparing students with what they need to know to pass high stakes tests and to become compassionate skilled nurses. Which is why more nurse educators, universities and colleges around the country partner with us.

AND HERE'S HOW.

To us, becoming a nurse involves three stages. The first stage is preparing for and being accepted into a nursing school program. The second stage is learning and succeeding during nursing school. And finally, the third stage is graduating and passing the NCLEX. Through our products and services ranging from pre-admission tests to curriculum testing to NCLEX success, we're here to help educators help students complete all of the steps.

Learn now. You may begin.

Important!
You **must** have the free Silverlight software on your computer (if you don't have it already) in order to open the new Faculty and Student home pages and resources. Please [click here](#) before you attempt to log in to install it or determine if you already have it on your computer.

Step 1 – Registering at ATI:
