COMES
ALIVE**
BOOT CAMP

2021 Theme: Renewable Energy: The Future Is Now

STEM Comes Alive Boot Camp is a free, fun, and fast-moving one-week boot camp that makes science, technology, engineering, and math (STEM) come alive for area students entering grades 9-12. Lunch and snacks provided.

Explore The World of STEM Through

- Classroom and laboratory exercises
- Interaction with college faculty and industry professionals
- Usage of state-of-the-art tools and equipment
- Field trips to local businesses and industries
- Applied research methods to explore and solve problems

Dates and Time: July 19–23, 2021 | 8–4

Location: Riverland Community College, Austin Campus

Application Deadline: June 18, 2021
