

## 2021-2022 Application for Professional Judgment- Independent Student

According to federal laws and regulations, a family's 2019 income is used to assess financial need for the 2021-2022 school year. If a family's 2020 or 2021 income is lower, due to special circumstances, a financial aid administrator may be able to use 2020 or 2021 income to assess financial need. **Note:** Your professional judgment application will be returned if all requested information outlined is not provided. Special circumstances, if accepted, may result in an increase in need-based loans, student employment, or in certain cases, additional grant assistance. *Turnaround time for professional judgment appeals is 2-4 weeks.*
