

**Petition for Dependent Student to Receive
Unsubsidized Federal Stafford Loan Only**

(Do not submit this Petition without the required documentation attached)

Name: _____
Address: _____
City, State, Zip: _____

I am petitioning the Financial Aid Office to consider my eligibility for a Federal Unsubsidized Stafford Loan due to being a dependent student (based on the federal financial aid definition) and my parent refusal to provide their information on the FAFSA (Free Application for Federal Student Aid).

Federal law says that a dependent student (based on the federal financial aid definition) whose parents (both mother and father) have permanently ended all financial support of the student and refuse to complete the parent section of the FAFSA, may be eligible for ONLY a Federal Unsubsidized Stafford Loan at the dependent yearly loan limits. No other aid is allowed. The Riverland Community College Financial Aid Office will make the final determination whether or not to allow the student to borrow a Federal Unsubsidized Stafford Loan without parental information.

In order for this petition to be considered, you MUST complete the front of this form and attach ALL the documentation requested on the back of this form.

I certify that all of the information stated in the letters attached concerning my request for an unsubsidized Federal Stafford Loan due to my parent(s) refusal to provide their information is true and complete.
