

Associate of Arts Degree

Effective January 14, 2019

The Associate of Arts degree will be awarded to students for successful completion of 60 semester credits. Forty of these 60 credits must be selected from the Minnesota Transfer Curriculum (MnTC) Goal Areas 1-10. In addition to the 40 credit MnTC, the AA requires students to complete CCLS1000 First Year Experience, 1 credit in Physical Education/Health and 18 additional elective credits, which may include additional MnTC courses or any course with a number of 1000 or higher. The MnTC requires a cumulative GPA of 2.0 or higher. Transfer grades of A-D will be included in the GPA calculation for the MnTC. The Associate of Arts Degree also requires a cumulative GPA of 2.0 or higher. Classes may meet requirements for more than one goal area, but credit will not be awarded for any course twice.
