<td>Expenses for which approval is requested</td>
<td>Item numbers refer to provisions of the Administrative Procedure - Provision A for expenses approved by the agency head; Provision B for expenses which also require the approval of Minnesota Management &amp; Budget. Refer to Administrative Procedure 4.4 for additional information and limitations on the use of each item. Employees who are not in travel status must request approval of meals and lodging as special expenses. Employees in travel status need not request special expense approval unless meals exceed maximums allowed by the appropriate contract/plan. Maximum reimbursement rates apply unless acceptable justification is provided for greater amounts. Registration/tuition fees are treated as special expenses but prior approval is required only if the cost per participant exceeds $500. &quot;Refreshments&quot; consist of relatively inexpensive items such as beverages, cookies and rolls and are not to be the equivalent of a meal.</td>
