

**Program:** Accounting  
**Award:** AAS  
**Archive Semester:** Spring 2020  
**Type:** Course List  
 -----

## Program Notes

Keyboarding (min. 25 wpm) and basic microcomputer skills (Windows operating system, word processing, spreadsheet, and database) are necessary for success in this course of study. If student is not competent in these skills, the following course(s) are highly recommended. These credits do not count toward meeting the program requirements.

Students entering this program must meet the following minimum program entry requirements:

## Reading

An Accuplacer score of 63 is recommended

## Assessment Results and Prerequisites

Students admitted into Riverland Community College program may need to complete additional courses based on assessment results and course prerequisite requirements. Certain MATH and ENGL courses have additional prerequisites.
