

Semester of Enrollment:

Fall 2022

Spring 2023

Post-Secondary Enrollment Options (PSEO) Student/High School Planning Guide

This Student/High School Planning Guide is to be completed by the High School counselor/personnel. **Full completion** of this form is essential; the information requested provides a basis for making knowledgeable decisions regarding participation in the Post-Secondary Enrollment Options Program (PSEO) and enrolling in appropriate courses that will not result in potential financial charges to the student from the Minnesota Department of Education. This form must be completed **each semester**. PSEO students should bring this with them when they meet with a PSEO Advisor OR have an updated copy on file to continue with registration.

Student Name: _____
